Vice President Kamala Harris

Donald Trump

JOBS

Led implementation of legislation to bring manufacturing jobs home to the U.S., create more union jobs, and raise wages.¹

Passed legislation that gave tax breaks to corporations that send jobs overseas.²

UNIONS

Harris respects picket lines.³

Invested billions in broadband infrastructure, public transit, and other projects to create good, union jobs.⁴

Trump crossed an IATSE picket line when he was on The Apprentice.⁵ He has said striking workers should be fired.⁶

He opposes legislation to protect workers' right to join a union.⁷

TAXES & COST OF LIVING

Proposed tax cuts for middle class families and a ban on corporate price gouging.⁸

Reduced tax rates on corporations and says he wants to give them more cuts.⁹

HEALTHCARE COSTS

Cast tie-breaking vote for legislation to allow Medicare to negotiate with drug companies, lowering costs for seniors, and reduced the cost of insulin to \$35 a month for everyone.¹⁰

Wants to repeal the Affordable Care Act, letting insurance companies deny coverage for pre-existing conditions.¹¹

RETIREMENT SECURITY

Protected the retirement benefits of more than 50,000 CWA members whose pension funds were in danger of insolvency.¹²

Proposed cutting Social Security while receiving federal pension benefits of \$230,000 per year since he left office.¹³
